At Crimestoppers, we believe that it is **people** who stop crime.

Each and every one of us can play a part. Together, we can be safer from crime. Our volunteers play a vital role for our charity.

Our volunteers connect people everywhere with the belief they can stop crime. Volunteers usually work as part of a local team, in a role that suits your skills and/ or experiences.

This includes recruiting, training, motivating, encouraging and supporting all Ambassadors, enabling them to deliver effective results and reach as many people in communities as possible with the Crimestoppers message.

Quote from one of our Community Ambassador Co-ordinator volunteers:

My role is both challenging and enjoyable in continuing to spread and maintain knowledge and awareness of Crimestoppers amongst a wide range of agencies and organisations as well the general public and especially knowing we can produce positive results in reducing crime and improve the quality of life of all our communities right across our region."
