Fearless Committee and Community Volunteer

At Crimestoppers, we believe that it is **people** who stop crime.

Each and every one of us can play a part. Together, we can be safer from crime. Our volunteers play a vital role for our charity.

Our volunteers connect people everywhere with the belief they can stop crime. Volunteers usually work as part of a local team, in a role that suits your skills and/or experiences.

Role Purpose:

To be the voice of young people and represent Fearless and young people on the Crimestoppers Committee within your area.

Secure opportunities to work with partners to promote our Fearless materials and messaging to the 11 - 17 year old age group within your area, reaching out to professionals and local organisations.

To assist the Regional Manager and/or Fearless Worker with the local delivery of Crimestoppers' work with young people using Fearless specific materials in the community. This may involve attending local community events such as holding stalls at Freshers Fairs at colleges, Premier League Kickz events and other similar activities.

This role will not present in schools/youth clubs or any other youth-based setting and will not run any workshop sessions with young people.

Quote from one of our Fearless volunteers: "The most satisfying part of my role is being able to work towards protecting children from crime involvement, and learning this in a practical way alongside my studies."
